Bangalore, 22 September 1896.

From

E. R. SUBRAYER, Esq.,

Comptroller, Mysore Govt.

To

The Secretary to the Govt. of Mysore,

General ~~& Revenue~~ Dept.

SIR,

I have the honor to submit two statements showing the Savings Ban balances as they stood before the reduction of interest to 3%, and dur the period of this reduction. Though the balance at the close of 1895-96 worse by nearly a lac of rupees th that of 1894-95 the number of deposito has increased by 350. As Savings Banks are intended to encourag Savings out of small earnings a thrift on the part of poorly paid officials &c. but not t afford facilities for current account accounts with large monthly balances, the increase in the number of depositors may be taken to indicate the increasing popularity of these Banks.

The interest Government receive on their investments in Government of India Securities is at present only 3½ per cent on the nominal value of the investment, while actually it may be put down at 3¼, on account of the premium paid at time of purchase and as it is probable that in the near future this rate will suffer a further reduction to 3 per cent on the nominal value of the investment I would suggest that the rate of Savings Bank interest be reduced with effect from 1st July 1897 from 3 4/7 to 3⅛ per cent – the rate now obtaining in British Post Office Savings Banks.

In this connection, I may mention that the cash securities tendered by the Arrack and Toddy Rent Farmers, were hitherto

hitherto credited to Revenue Deposits, but on the representation of the Excise Commissioner at the instance of the Deputy Commissioner of Bangalore, that it was nothing but equitable that the Farmers should be allowed to place such deposits in the Savings Banks and have the benefit of the interest, I was obliged to permit the transfer, as Rule 9 of the Government Savings Bank allowed such Deposits. The outstanding amount of security Deposits of Toddy and Arrack Vend Farms on 1st August 1896 under Revenue Deposit amounts to Rs 112900c which if transferred to the Savings Bank will result in an additional payment of about R4000/- as interest. On the other hand by allowing these deposits to be placed in Savings Banks, cash securities will be encouraged as they ought to be.

I request therefore to be informed whether under existing rules I may go on permitting these security deposits

deposits to be placed in Savings Banks
